## About the NSWPDLA

The NSWPDL Association was founded in 2010 with a simple mission - to provide children and adults with a physical disability the opportunity to participate in a fun, inclusive sport and be a part of the Rugby League family.

At present it is 6-team competition (South Sydney Rabbitohs, Wests Tigers, Newton Jets, Sydney Roosters, Parramatta Eels and Manly Sea Eagles) with its home ground at Cabramatta Rugby League Club.

Representative fixtures, special demonstrations and training days are also scheduled throughout the year – including an Indigenous All Stars match during Naidoc Week. The Association is on the verge of appointing a National Coach to lead the Australian team at the PDRL Global Tournament which will run adjacent to RLWC2021 in the UK in November.

For general information, please visit [www.nswpdrla.com.au](http://www.nswpdrla.com.au) and follow the association on [facebook](https://www.facebook.com/nswpdrla).
